School photo day is fast approaching, make sure you place your order via Compass.

1. Click the Community Tab in the Compass App
2. Select Photos
3. Place your order

A late/processing fee will apply for orders received 1 week after photo day.
All family/sibling orders must be placed by 11pm the day before photo day.

Proudly Powered by Compass

LIFE IS EASIER WITH MSP

The Department of Health have advised:

Students in Grade 3 and above must wear a face mask indoors at school, unless a lawful exception applies. Students must wear face masks even if vaccinated. Students are not required to wear masks outside, however they are strongly recommended if physical distance cannot be maintained, even outdoors, when students are not undertaking physical exercise (for example; masks are strongly recommended when classes are held outside).

*****Please ensure your child brings a mask to wear at school everyday*****

National Day of Action against Bullying and Violence

Official **Bullying. No Way!** school

Housekeeping – A Few Reminders

Yard Supervision Before and After School

The school yard is supervised in the morning from 8.40am and in the afternoon until 3.30pm. Students should not be at school outside of these times. Fergusson Street Day Care operates an Out of School Hours program if you need care for your child outside of these hours.

School Uniform

A reminder that students are expected to wear their school uniform every day to school. If your child is unexpectedly out of uniform for a day please send a note to verify this. Please ensure all uniform is named.

Lost Property Roster

If you are available to help out in sorting lost property once a week on a Friday, please contact the office.

School Hats

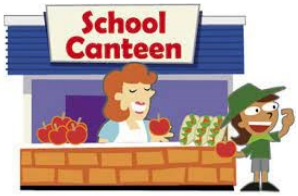
A school hat is required when students are outside to protect them from the sun. Please check that your child has a hat and that it is in good condition. New hats can be purchased from the school office.

Wearing Of Face Masks

Face masks are to be worn by students in grades 3-6 when indoors unless an exception applies and area recommended for students in F-Parent/carers of a student/s who meet the criteria for an exception must provide their approval in writing for their child/ren to not wear a mask to the school. We have a limited supply of disposable masks at school so ask that students please bring their own.

Visitors To School

Anyone entering school buildings must be double vaccinated and register using the QR code system. You do not need to use the QR code if you are in the school yard.



Canteen Helpers Needed

If you are available to help out in the school canteen on either Monday, Tuesday, Thursday or Friday, please contact the office to let us know when you are available.

BROADFORD PRIMARY SCHOOL – PARENT COMMUNICATION

Effective communication with parents is very importance to us at BPS and we welcome opportunities to meet with parents and carers and work together to support children. There are a number of communication channels we use to keep you informed of what is happening at BPS. We have outlined these below so that you can stay up to date with us.

Facebook

We use Facebook to celebrate, notify and remind everyone of events happening at the school. Often we will celebrate with just photos something that is happening.

We upload our newsletter link and other links to the Facebook group. We keep this as a closed group for privacy of students, teachers and parents. Membership is only available for current parents, grandparents, caregivers, guardians and staff. To become a member you **MUST** answer the question and put the students full name and if not **YOUR** child then your relationship or reason. Search for Broadford Primary School Group. Select the group that has the picture of the school gate. If you invite another person to the group you need to tell them to answer the questions. We will remove/block anyone who is disrespectful or bully's.

BPS Website - www.broadps.vic.edu.au

Our website contains almost everything you will need to know. You can access school policies, newsletters and camp information etc. Way too much to mention so please go and have a look. You can also notify student absences on the website.

Compass School Manager

We use Compass Newsfeed to notify and remind everyone of events happening at the school. Parents can use Compass to view and print Student Reports, notify student absence, update parent details and access documents and forms. Teachers and parents can email each other. The link to log into Compass is located on our webpage. Please contact the office for your username and password.

Phone - 57841221

You can contact the office by phone between 8.30am and 4.15pm. It is an extremely busy time in the office from 8.30 to 9.30 therefore it may be better to use one of the above methods to notify the school of an absence.

Newsletter –

Our newsletter comes out fortnightly on a Friday. It contains a calendar of events, celebration of student learning and community interest items. On alternate weeks a 'Dates to Remember' bulletin is published. This is available electronically. A limited number of hard copies are available from the office.
