Classroom Helper Training

Wednesday 28th February at 9.00am – 9.30am or Thursday 7th March 2.45pm – 3.15pm

If you would like to help in the classrooms, we would love to have you! In order to do this, you need to have completed a training session with Mrs Cooney. Once you have completed the course please see your class teachers to discuss your availability.

Everyone is most welcome.

All classroom helpers must have a current Working with Children Check, available online through the Department of Justice.

Please note: if you have previously done the course you do not to attend.

A word from Mrs Cooney...

Swimming

Last Friday Ms Henry accompanied our swimming team to Seymour for the District Swimming Carnival. Our students competed against students from a number of other schools in the Mitchell area. Congratulations to all our competitors. Well done to Blake, Kiera and three of our relay teams - girls 10 years freestyle, boys 11 years freestyle, boys 12/13 freestyle, who have been successful in advancing to the next stage of competition.

Child Safety and Wellbeing Policies

Broadford Primary School is committed to providing a child safe and child friendly environment, where students are safe and feel safe.

Our child safety and wellbeing policies outline the measures and strategies we have in place to support, promote and maintain the safety and wellbeing of our students:

- Child Safety and Wellbeing Policy
- Child Safety Code of Conduct
- Child safety Responding and Reporting Obligations Policy and Procedure
- Complaints Policy
- Student Wellbeing and Engagement Policy
- Bullying Prevention Policy
- Volunteers Policy
- Visitors Policy
- Digital Learning Policy

As valuable partners in promoting and maintaining child safety and wellbeing at Broadford Primary School we welcome and encourage your feedback. These policies can be viewed at <https://drive.google.com/drive/folders/1IfPIOG0tVMUs09vBatR3JZyTECl2UtUY?usp=sharing> or a hard copy can be obtained from the school office.

If you have any suggestions, comments or questions in relation to our child safe policies and practices, please contact the principal or assistant principal.

Progress Reports

To support student learning, all students have a reading, writing and mathematics goal tailored to their individual needs. Twice per term these goals will be communicated with you via Compass. You can now view your child's current goals on Compass. Communicating these goals enables families to be partners in their child's learning. If you would like to know more about how you can support your child or discuss their learning, please contact your child's teacher.

On Wednesday 27th March from 2.45pm – 3.45pm we will be holding our end of term Learning Expo – this is an opportunity for your child to share some of their learning with you. We warmly invite all families to join us.

School Leaders Badge Presentation

Annabelle Cleeland, our local member in parliament, will be attending our assembly on Friday 8th March to present our school captains, house captains and Junior School Councillors with their badges. Please note that this assembly will take place at 9am, not at our usual time of 2.45pm.

School Council

Nominations for school council have now closed and I am pleased to announce that Trent Saunders and Andrew Kendrick have been re-elected for another two years. I look forward to continuing to work with them and having their continued support on School Council. I would like to thank Matthew Warren for his involvement in school council over the last four years and his contributions to the school.

We still have one parent vacancy on school council so nominations will be reopened until Wednesday 6th March. Please contact the school office for a nomination form.

The school Council AGM will be held at 6pm on Wednesday 13th March.

Mrs Jennene Cooney

Principal
