A word from Mrs Cooney...

Well, that is a wrap – for term 1. Thank you to our staff, students and families for an awesome term of fun, friendship and learning. They say a picture says a thousand words and below is a snapshot of our term.

Progress Reports

You can now view your child's end of term progress report on Compass. This report provides information on your child's progress against their goals and outlines their current goals in Reading, Writing and Mathematics. If you would like to know more about how you can support your child or discuss their learning, please contact your child's teacher.

It was great to see so many families visiting our end of term learning expo yesterday. It was a fantastic opportunity for students to share some of their learning for the term.

I would like to wish everyone a happy and safe Easter. See you all in term 2.

Mrs. Jennene Cooney
Principal

Teachers learn maths too! We have been working with Rob Vingerhoets, who is a leading consultant in teaching mathematics. This gives us time to develop our knowledge about the best ways to plan and teach maths.

hello What a great first term we have had here at BPS and now it's almost time for the Easter bunny to visit!! Holidays are a great way to rest, recharge and connect with family and friends, but sometimes can also be a source of stress. Here are some tips that may be useful these school holidays;

Feeling overwhelmed? Need some support?

What is The Orange Door?

Sometimes things at home or in a relationship are not OK and you need some help and support. At The Orange Door, we are here to listen to you and help you to get the support you need quickly and easily.

If you are in danger right now, call Triple Zero (000). If you are not in immediate danger, but feel unsafe, contact The Orange Door.

We can help if:

- you need help with parenting, or you are worried about the wellbeing or development of a child or young person
- someone close to you is making you feel afraid or unsafe such as your partner, ex-partner, family member or carer
- you are a child or young person who doesn't feel safe or cared for
- you are at risk of using abusive or controlling behaviour or you need help with these behaviours at home or in a relationship
- you are worried about the safety of someone you know
- you have experienced family violence, including controlling behaviour like someone monitoring where you go, who you visit or how you spend money.

EASTER RAFFLE

The Parents & Friends Group would like to thank those that have both donated and entered this years Easter raffle. Congratulations to the winners.
