A word from Mrs Cooney...

Education Support Day

Yesterday was Education Support Day. We are very fortunate at Broadford Primary School to have an amazing ES workforce who support teachers, students, and families. Our ES team have office, classroom, canteen, and wellbeing roles that help us right across the school. Thank you to all our Education Support Staff, you perform critical roles in our school, and we honour and recognise the extraordinary contribution you make to BPS

Thank you to our Parents & Friends Association

Last week our Parents & Friends Association held our annual Mother's and Special Person's stall. This is always a highlight for our students as they get to choose their special gifts. Thank you to our wonderful volunteers for all of their hard work and organisation and for once again doing a fantastic job. I hope everyone enjoyed their gifts and had a lovely day on Sunday.

Progress Reports

You can now view your child's mid term progress report on Compass. This report provides information on your child's progress against their goals and outlines their current goals in Reading, Writing and Mathematics. If you would like to know more about how you can support your child or discuss their learning, please contact your child's teacher.

Entering Classrooms

To ensure we privilege learning time and for the safety of our students, we would ask that parents and carers do not enter learning spaces (including shared learning areas) between 9am and 3.20pm. If you need to collect your child early or drop them off during the day please see our friendly administration staff. All classroom helpers must sign in at the office before entering learning areas.

Education Week

This week was Education Week. This year's theme has been, *Spotlight on STEM*, highlighting the importance of Science, Technology, Engineering, and Mathematics in our everyday lives, in the classroom and beyond. At Broadford Primary School we have focused this week on Mathematics in our lives. Today we have celebrated with a mathematics themed dress up day and look at how creative our students and staff have been!!!

SCHOOL SAVING BONUS

You may have seen the recent announcement of the School Saving Bonus, as part of the Victorian Budget 2024/25. We are sharing more information about how families will be able to access and use this support.

This one-off support will include \$400 for each eligible student to help families cover the costs of school uniforms and activities in 2025.

It will be available to parents and carers of every child enrolled in a Victorian government school in 2025.

Cash will not be paid directly to individuals or families. Instead, families will receive the bonus as credits on their school accounts that will help meet the costs of your children's activities and uniforms.

The School Saving Bonus support will be in addition to existing and continuing means-tested supports for camps, sports, excursions and uniforms.

The application-based Affordable School Uniform program, through State Schools' Relief, will continue to be available to families experiencing financial hardship or other forms of vulnerability and short-term crisis. This program allows schools to make multiple applications for support on parents' behalf throughout the year if needed.

There will be more information and guidance about the School Saving Bonus in Term 3, 2024, ahead of its implementation in 2025.

Kind regards

Jennene Cooney
