2025 Planning

We have commenced our planning for 2025. To assist us with this process, we would appreciate it if parents could notify us if their child will not be returning to BPS in 2025.

A word from Mrs Cooney...

A Hint of Snow White

Last night was the opening night of the grade 5/6 production of 'A Hint of Snow White'. Our students did an outstanding job performing an entertaining show. Well done to all our students who had put a lot of work in to learning lines, lyrics and dances. Thank you to Mrs Harvey who directed the performance and has put many hours into producing such a fantastic show.

Congratulations to our Athletes

This week we had a group of students represent our school and district as part of the Mitchell District Athletic team. Well done to Seth, Judd, Taylor, Myles, Lucas, Kim, Heidi, Willow, Ameila, Poppy, Elena, Lilly, Ruby, Blake, Kayla, Evan and Layla. Our 11 year old girls relay team and Poppy in her individual event, have been successful in advancing to the next level of competition - congratulations.

End of term and Progress Reports

Next Friday is the last day of term 3 – the year seems to be going very quickly! Progress reports will be available via Compass on Friday to update you on how your child has progressed with their learning goals and what their current goal is in reading, writing and mathematics. School finishes at 2.30pm on Friday.

Mrs. Jennene Cooney

PARENT CLUB

The Parents and Friends Group are seeking donations from any business in the local community for our upcoming Music Trivia Night.

We have a range of fantastic business' here in the area and we would love to know about what you do!

We welcome any goods and services or even sponsorship, that may assist us with door prizes and a raffle.

MAGNIFICENT MATHS

JUST ONE THING...

Provide opportunities for students to count everyday

Counting is the maths concept that supports all other learning in maths. We count to add or subtract, to multiply and divide, measure, pay or look at statistics. Providing opportunities for students to count from an early age is a simple, everyday thing that can make a huge difference to learning maths at school.

Ideas:

- Collecting an amount of potatoes (they don't bruise as easily!) at the supermarket
- Counting how many houses/cars/walkers/dogs there are on the way to school
- Rolling a dice and moving that many places on a gameboard

**Counting forwards and backwards are equally important!

CHANCE - GRADE 1 & 2

SQUARE METRES - GRADE 3 & 4

GRADE 3 & 4 'ACE' STUDENTS

SPORT NEWS

Grade 5/6 Round Robin

Division Athletics Results

11 year Girls relay through to Regionals

Poppy R through in the 100 and 200m

Well done to all competitors for making it to Division level!

Poppy is also trying out for the State Track and Field team on Monday 16th Sept at Albert Park. Good luck Poppy!
