## ***A word from Miss Nugent...***

As the end of term draws near, I wanted to take a moment to reflect on what a wonderful and busy time we've had - and share a few highlights.

First and foremost, we are incredibly proud of the enthusiasm and dedication our students have shown this term. It's been heart-warming to see so many of them stepping up: whether through everyday classwork, kind gestures toward classmates, or participation in co-curricular activities.

The festive season is well and truly upon us, our office and foyer areas have been transformed into a Christmas wonderland. A big thankyou to the hard work of Sam D, and others who have made this such a special space for students and staff to enjoy. In addition, the preparations for the upcoming Christmas carols have brought a special sparkle to the school, with our students' excitement levels building as rehearsals get underway. I know many of you - parents, caregivers and staff - are looking forward to the concert, and I'm eager to see our community come together in the festive spirit.

I want to offer a special congratulations to Poppy Robinson for her outstanding efforts at the School Sport National championships. Her performance was a wonderful demonstration of determination, sportsmanship and school pride - an achievement we are all so proud of.

### **State-Wide Transition Day**

On **Tuesday 9th December**, from **9:15am – 12:30pm**, we will be holding our whole-school Transition Day in preparation for the 2026 school year. We are looking forward to welcoming our 2026 Foundation students for part of the morning, as well as greeting new families who will be joining us across other year levels.

**Our Grade 6 students** will enjoy an exciting day visiting their new secondary schools, and we wish them all the very best for this important step in their educational journey.

Throughout the morning, students will participate in activities within their 2026 year level, giving them the opportunity to get to know one another and begin forming connections with their teachers and peers.

Please note that there will be no negotiation or changes to grade placements unless an error has occurred in the process. Changing classes after allocation is extremely difficult, as moving one student often impacts a number of others. We appreciate your understanding and trust in our professionalism as we make these complex decisions in the best interests of all students.
